DENIAL OF STATE ENGINEER

deny

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

Application is denied on the grounds that the appropriation of underground water for irrigation would tend to impair the value of existing rights, would be detrimental to the public interest and welfare, and would not be a preferred use of the limited ground water resource in the Indian Springs Valley Ground Water Basin.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use shall be filed on or before

Map in support of proof of beneficial use shall be filed on or before
